EXT. WOODS - NIGHT

A New model, Black BMW is parked between the trees at the end of a dirt road. The windows are fogged.

INT. CAR - NIGHT - CONTINUED

RICKY (Early 40's, athletic build) sits in the driver seat of the car. KATE (20s, pretty), is topless straddling him. The windows fog, the car rocks with their motion. Ricky's head falls back, his eyes clenched, He grabs Kate by the hair and lets out a loud GRUNT.

Kate quickly reacts to Ricky.

KATE

You fucking asshole, you're supposed to tell me. What the hell!

Ricky remains unnerved and brushes the insult off. Kate pulls down her top and scoots off Ricky's lap to the passengers seat.

Ricky buttons his pants as he speaks.

RICKY

Hey, I'm sorry. I thought when I grabbed your hair you knew.

KATE

Fuck you. I swear to God if you knocked me up That's the last thing I need!

RICKY

Relax, I had a vasectomy 5 years ago. We're good.

Ricky chuckles, Kate pulls out a piece of gum from her purse and starts chewing, Ricky looks in amusement.

RICKY

Can I have a piece?

KATE

No.

Kate shuffles around in her seat uncomfortable. Ricky notices.

RICKY

What the hell is wrong with you, you got a bug up your ass... a wedgy?

KATE

I have to pee, asshole.

RICKY

Why don't you just go behind a tree?

KATE

Like a dog? Jesus, you really know how to show a girl a good night, Why don't you go behind a tree?

RICKY

Just go... what's the big deal?

KATE

I don't like the woods... they scare me.

RICKY

What the hell are you afraid of a raccoon?

Kate crosses her arms and isn't amused by Ricky's lack of sympathy.

Ricky lets out a chuckle.

RICKY

Look, we have at least 20 minutes till we get to anywhere with a restroom, and don't forget about that bumpy road.

Ricky begins to bounce up and down in the car. Kate in frustration punches Ricky in the arm, she opens the car door.

KATE

Fine, I'll go, But I swear if you try to scare me again, the next time I suck your dick, I'm going to bite it!

RICKY

Ouch.

Ricky smiles as Kate gets out of the car.
